Login

- **Access:** Enter your secure username and password to access the system.
- **Role Check:** The system checks your credentials to give you the correct "Admin" access level.

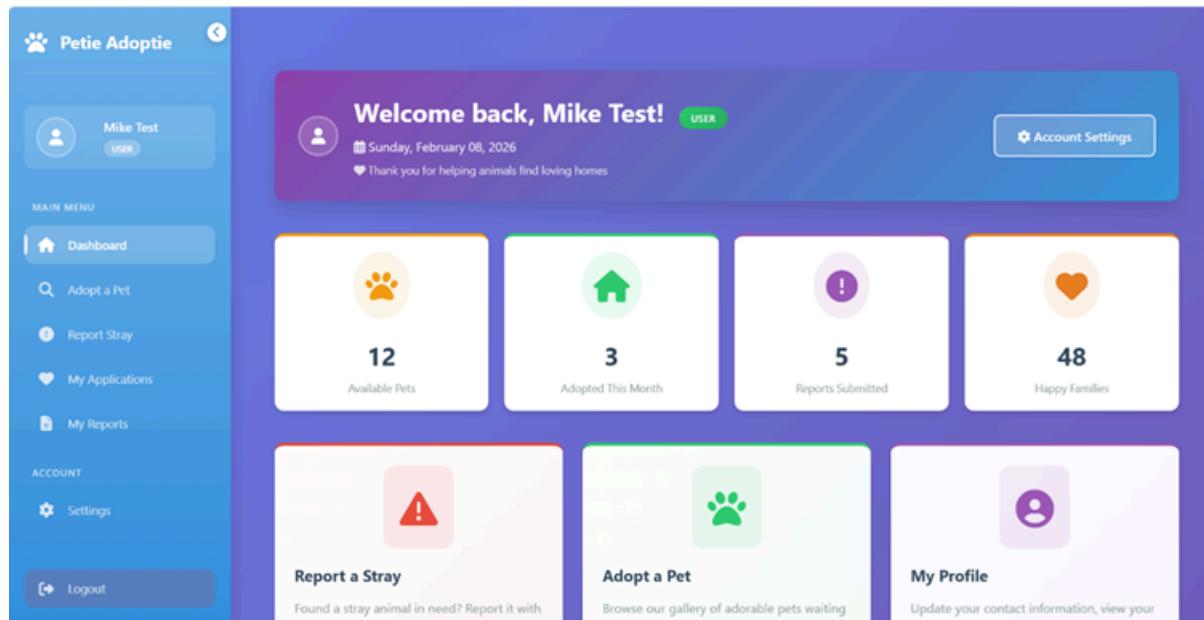

STAFF AND USER

1. Dashboard (Home Page)

- **Overview:** This is the first page you see after logging in. It gives you a quick summary of the system.
- **Quick Stats:** Shows the total number of available pets, pets adopted this month, and reports submitted.
- **Quick Actions:** Big buttons that let you quickly go to important pages like "Report a Stray" or "Adopt a Pet."

USER:

STAFF:

The screenshot displays the Petie Adoptie staff dashboard interface. On the left, a sidebar menu lists various functions: Dashboard (selected), Process Reports, Manage Pets, Adopt a Pet, Report Stray, My Applications, and My Reports. Below these are sections for Account and Settings. The main content area features a welcome message: "Welcome back, Staff Member!" followed by the date "Sunday, February 08, 2026" and a note "Thank you for helping animals find loving homes". A "STAFF" button is also present. The dashboard includes four large cards with statistics: "Available Pets" (12), "Adopted This Month" (3), "Reports Submitted" (5), and "Happy Families" (48). Below these are three smaller cards: "Report a Stray" (with a red warning icon), "Adopt a Pet" (with a green paw icon), and "My Profile" (with a purple user icon).

Welcome back, Staff Member!

2. Adopt a Pet

- **Browse Pets:** Displays a list of all animals currently waiting for adoption.
- **Search & Filter:** You can search for a specific pet (like "Golden Retriever") or filter the list by type (Cat, Dog, etc.).
- **Pet Details:** Each pet card shows a photo, the location where it is fostering, and a brief description.
- **Action:** Click the "Adopt Me" button to start the adoption application process.

USER:

The screenshot displays the Petie Adoptie mobile application. On the left, a vertical sidebar menu is visible with the following items: MAIN MENU (Dashboard, Adopt a Pet, Report Stray, My Applications, My Reports), ACCOUNT (Settings), and a Logout button. The 'Adopt a Pet' item is highlighted with a blue bar. The main content area has a purple header with the text 'Find Your Forever Friend' and a sub-instruction 'Browse adoptable pets. Every adoption saves a life.' Below the header, there are two cards: one showing '1 Total Available' with a dog icon and another showing '1 In Foster Care' with a house icon. A 'Filter' dropdown set to 'All Types' is followed by a search bar containing 'Golden Retriever', an 'Apply' button, and a 'Reset' button. A large central card displays a pet profile for a 'Rabbit'. The card includes a green 'IN FOSTER' badge at the top right. Below the badge, the pet's name 'Rabbit' is shown, along with its location 'Foster Home (Community Garden)' and found date 'Found: 2023-10-24'. A descriptive note at the bottom states: 'White rabbit spotted in the garden. Clearly a domestic pet that escaped or was abandoned. Easily'.

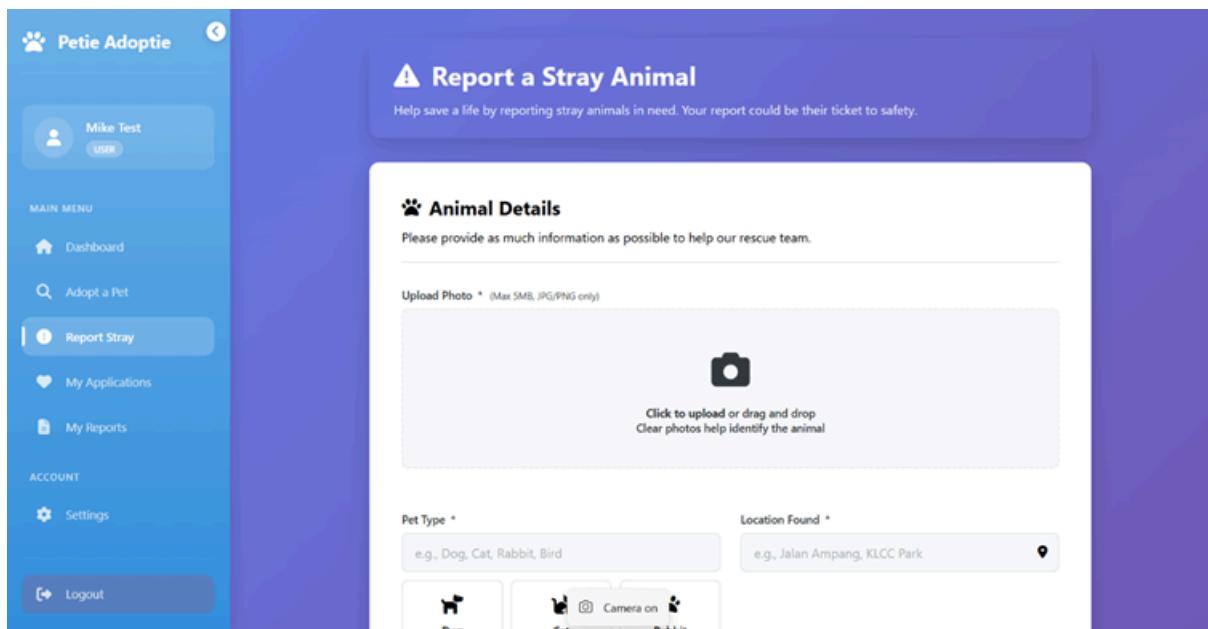

STAFF:

The screenshot shows the Petie Adoptie staff interface. On the left, a sidebar menu lists various options: Dashboard, Process Reports, Manage Pets, Adopt a Pet (selected), Report Stray, My Applications, and My Reports. Under ACCOUNT, there are Settings and Staff (which is currently selected). The main content area has a header "Find Your Forever Friend" with the sub-instruction "Browse adoptable pets. Every adoption saves a life." Below this are two summary boxes: "1 Total Available" (with a dog icon) and "1 In Foster Care" (with a house icon). A filter dropdown set to "All Types" and a search bar with placeholder "Search (e.g., 'Golden Retriever')". The results section shows a single item: "Rabbit" with a green "IN FOSTER" badge. Below the title are location and found date details: "Foster Home (Community Garden)" and "Found: 2023-10-24". A descriptive note follows: "White rabbit spotted in the garden. Clearly a domestic pet that escaped or was abandoned. Easily...".

3. Report a Stray Animal

- **Purpose:** Allows users to report homeless animals they find so the rescue team can help.
- **Upload Photo:** You can upload a picture of the animal to help identify it.
- **Details:** You must select the animal type (e.g., Dog, Cat) and pin the location where you found it.

USER:

STAFF:

The screenshot shows the 'Petie Adoptie' staff reporting interface. On the left, a sidebar menu for 'Staff Member' (STAFF) lists options: Dashboard, Process Reports, Manage Pets, Adopt a Pet, Report Stray (which is selected and highlighted in blue), My Applications, and My Reports. Below these are sections for 'ACCOUNT' and 'Settings'. The main area is titled 'Report a Stray Animal' with the sub-section 'Animal Details'. It prompts the user to provide information and upload a photo of the stray animal. A placeholder text says 'Click to upload or drag and drop. Clear photos help identify the animal'. Below this are fields for 'Pet Type' (Dog, Cat, Rabbit, Bird) and 'Location Found' (e.g., Jalan Ampang, KLCC Park). There are also icons for Dog, Cat, and Rabbit.

4. My Reports

- **Track Status:** Shows a history of all the stray animals you have reported.
- **Status Updates:** You can see if your report is still "Pending," if the animal is in "Foster," or if the case is closed.
- **Fostering Info:** At the top, it shows if you are currently fostering any pets.

USER:

The user dashboard for 'Petie Adoptie' displays a summary of reports and fosters. On the left, a sidebar menu includes 'Dashboard', 'Adopt a Pet', 'Report Stray', 'My Applications', 'My Reports' (selected), 'Settings', and 'Logout'. The main area features a section titled 'My Reports & Applications' with four cards: 'TOTAL REPORTS' (4), 'FOSTERED PETS' (0), 'PENDING' (4), and 'IN CENTRE' (0). Below this is a 'Foster Care Achievement' section with a large '0' and the message 'Pets in Your Care ❤️' followed by 'Thank you for providing a temporary home for animals in need!'. A small error message 'S' is visible at the bottom left of the main content area.

STAFF:

The staff dashboard for 'Petie Adoptie' shows a foster status summary and a report history table. The sidebar menu for staff includes 'Dashboard', 'Process Reports', 'Manage Pets', 'Adopt a Pet', 'Report Stray', 'My Applications', 'My Reports' (selected), 'Settings', and 'Logout'. The main content area has a green box stating 'You are currently fostering 0 Pets ❤️'. Below it is a table titled 'My Report History' with columns: Pet Type, Date Reported, Situation, and Status. Another table below shows columns: Pet Type and Application Status. A small error message 'S' is visible at the bottom left of the main content area.

5. Process Reports (Staff View)

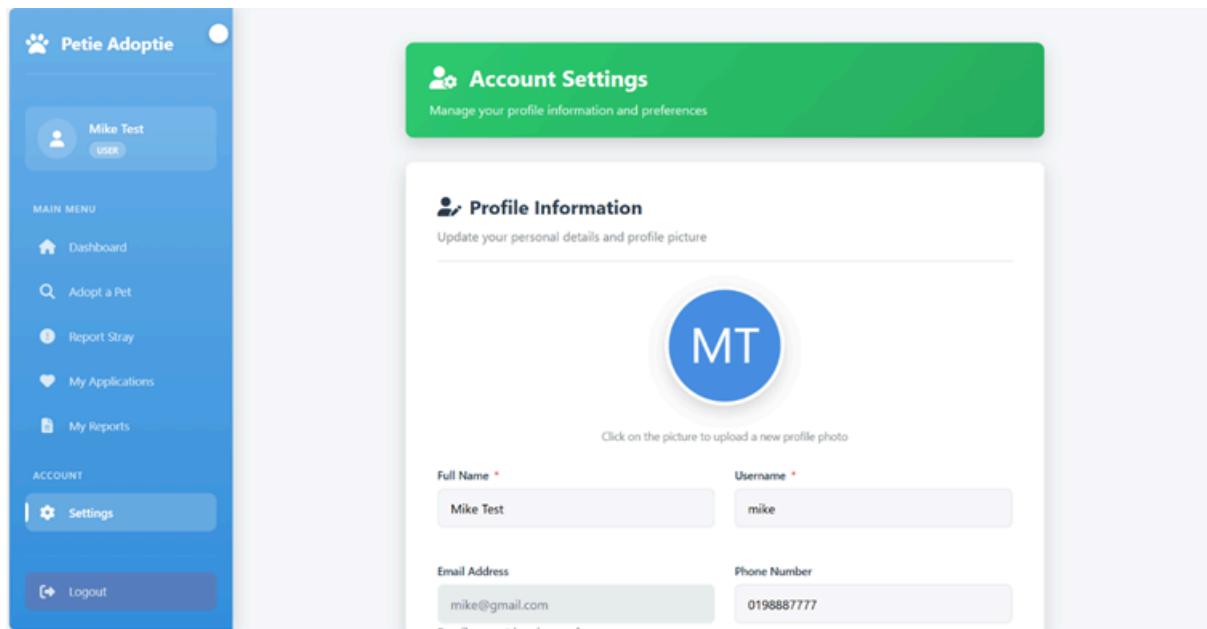

- **Staff Only:** This page is for staff members to manage incoming reports.
- **Review:** Staff can see all active reports submitted by users.
- **Action:** Staff can check the details (Photo, Location, Situation) and take action, such as sending a rescue team or updating the status.

The screenshot shows the 'Stray Reports Management' section of the Petie Adoptie application. The left sidebar is labeled 'Staff Member' and includes links for Dashboard, Process Reports (which is highlighted), Manage Pets, Adopt a Pet, Report Stray, My Applications, and My Reports. The main content area has a header 'Stray Reports Management' with a subtitle 'Review incoming reports and assign actions.' Below this is a section titled 'Active Reports' with a sub-section 'Photo'. A table header row includes columns for Photo, Pet Details, Location & Date, Situation, Reporter, Status, and Actions. A message 'No reports found in database.' is displayed below the table.

6. Account Settings

- **Edit Profile:** Allows you to update your personal information like Full Name, Username, Email, and Phone Number.
- **Profile Picture:** You can click the circle icon to upload or change your profile photo.

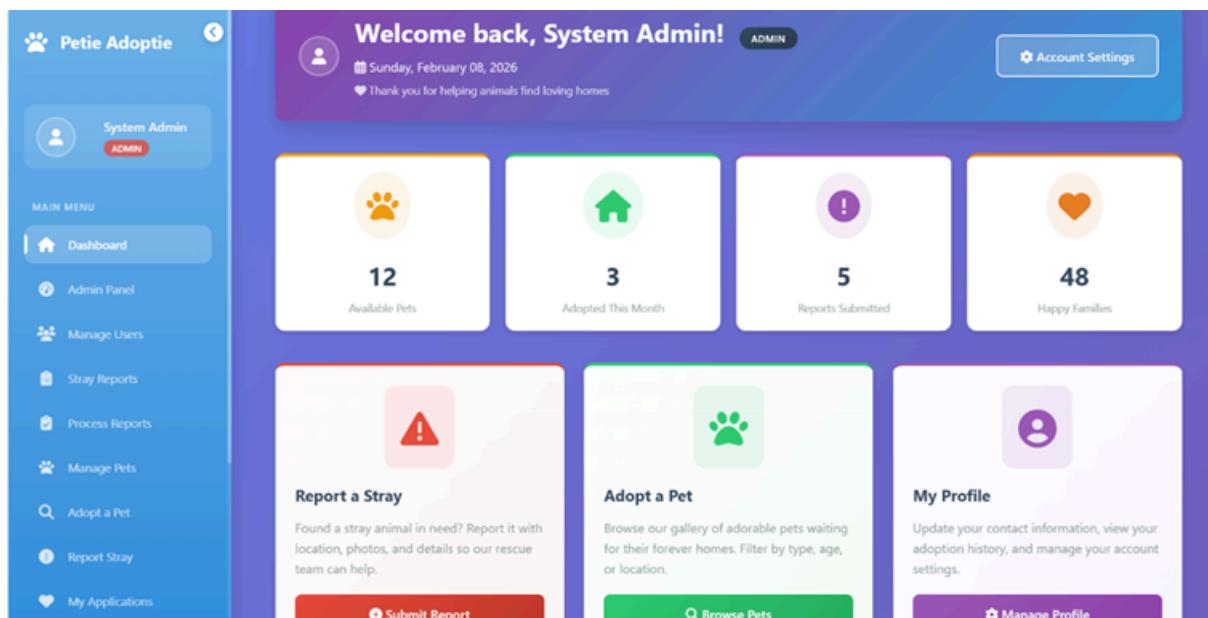

USER:

ADMIN

1. Admin Dashboard

- **Admin Control Center:** This is the main home page for the System Administrator. It looks similar to the user dashboard but includes more powerful tools.
- **System Overview:** Shows live statistics for the whole system, such as how many pets are available and how many reports have been submitted.
- **Quick Access:** Big buttons allow the admin to quickly Report a Stray, Browse Pets, or Manage their Profile.
- **Extended Menu:** The menu on the left includes extra options only for admins, such as "Admin Panel," "Manage Users," and "Manage Pets."

2. Manage Users

- **Function:** This page allows the Admin to control user accounts. You can likely view a list of all registered users and edit or remove their access if necessary.

The screenshot shows the 'User Management' section of the Petie Adoptie application. On the left, there's a sidebar with a 'System Admin' badge and a main menu including 'Dashboard', 'Admin Panel', and 'Manage Users' (which is currently selected). The main area is titled 'User Management' with a subtitle 'View, Edit, or Delete system users'. A sub-section titled 'Registered Accounts' displays a table of users with columns: Full Name, Username, Email, Phone, Role, Password (represented by asterisks), and Actions (with 'Edit' and 'Delete' buttons). The table contains three rows: System Admin (admin, admin@petie.com, 0123456789, ADMIN, *****), Staff Member (staff1, staff@petie.com, 0111222333, STAFF, *****), and Mike Test (mike, mike@gmail.com, 0198887777, USER, *****).

Full Name	Username	Email	Phone	Role	Password	Actions
System Admin	admin	admin@petie.com	0123456789	ADMIN	*****	<button>Edit</button> <button>Delete</button>
Staff Member	staff1	staff@petie.com	0111222333	STAFF	*****	<button>Edit</button> <button>Delete</button>
Mike Test	mike	mike@gmail.com	0198887777	USER	*****	<button>Edit</button> <button>Delete</button>

3. Stray Reports

- **Function:** This is a task list for the Admin to finalize decisions. It shows proposals for stray cases (like rescues or closings) that need your final approval.

The screenshot shows the Petie Adoptie application interface. On the left, there is a vertical blue sidebar menu titled "MAIN MENU" with the following items: Dashboard, Admin Panel, Manage Users, Stray Reports (which is highlighted in blue), Process Reports, Manage Pets, Adopt a Pet, Report Stray, My Applications, and My Reports. At the top right, it says "System Admin" and "ADMIN". The main content area has a title "Admin Task List: Finalize Proposals". Below the title is a table with the following columns: ID, Pet Type, Location, Date Found, Current Status, and Action. A message "No pending tasks found." is displayed in the center of the table area.

4. Process Reports

- **Function:** This is where you manage active incoming reports. You can review the details (photos and location) of stray animals reported by the public and update their status (e.g assign to rescue).

The screenshot shows the 'Stray Reports Management' section of the Petie Adoptie software. On the left, there is a vertical sidebar menu titled 'MAIN MENU' with the following items: Dashboard, Admin Panel, Manage Users, Stray Reports, Process Reports (which is highlighted in blue), Manage Pets, Adopt a Pet, Report Stray, and My Applications. At the top right of the main area, it says 'Stray Reports Management' and 'Review incoming reports and assign actions.' Below this is a blue header bar with the text 'Active Reports' and a document icon. A table header row is visible with columns: Photo, Pet Details, Location & Date, Situation, Reporter, Status, and Actions. A message 'No reports found in database.' is displayed in the center of the table area.

5. Adopt a Pet

- **Function:** Displays the public gallery of pets waiting for homes. Admins can view this to see what potential adopters see and check which pets are currently listed as "Available".

The screenshot shows the Petie Adoptie software interface. On the left is a blue sidebar menu titled 'Petie Adoptie' with a 'System Admin' badge. The menu includes links for Dashboard, Admin Panel, Manage Users, Stray Reports, Process Reports, Manage Pets, Adopt a Pet (which is highlighted in blue), Report Stray, and My Applications. The main content area has a purple header 'Find Your Forever Friend' with the sub-instruction 'Browse adoptable pets. Every adoption saves a life.' Below this are two boxes: one for 'Total Available' (1) and one for 'In Foster Care' (1). A search bar and filter dropdown ('All Types') are also present. The central part of the screen displays a card for a 'Rabbit' found in a 'Foster Home (Community Garden)' on 'Found: 2023-10-24'. The card is labeled 'IN FOSTER'.

6. Report Stray

- **Function:** A form to report a homeless animal. Admins can use this to manually enter a report into the system if they find an animal or receive a report via phone.

The screenshot shows the Petie Adoptie mobile application interface. On the left, there is a vertical sidebar with a blue header 'Petie Adoptie' featuring a paw print icon. Below the header, a 'System Admin' section is shown with a user icon and the word 'ADMIN'. The main menu includes links: Dashboard, Admin Panel, Manage Users, Stray Reports, Process Reports, Manage Pets, Adopt a Pet, Report Stray (which is highlighted with a blue background), and My Applications. The central area has a purple header with a warning icon and the title 'Report a Stray Animal'. A sub-header below it says 'Help save a life by reporting stray animals in need. Your report could be their ticket to safety.' The main form is titled 'Animal Details' with the instruction 'Please provide as much information as possible to help our rescue team.' It features a large input field for 'Upload Photo' with a placeholder 'Click to upload or drag and drop' and a note 'Clear photos help identify the animal'. Below this are two input fields: 'Pet Type' (with examples: e.g., Dog, Cat, Rabbit, Bird) and 'Location Found' (with examples: e.g., Jalan Ampang, KLCC Park). At the bottom, there are three icons representing different animal types: a dog, a cat, and a paw print.

7. My Reports

- **Function:** Shows a personal history of reports submitted by *you* (the logged-in Admin). It lets you track the status of cases you personally reported.

The screenshot shows the Petie Adoptie application interface. On the left, there is a blue sidebar menu titled "MAIN MENU" with the following items: Dashboard, Admin Panel, Manage Users, Stray Reports, Process Reports, Manage Pets, Adopt a Pet, Report Stray, My Applications, and My Reports. The "My Reports" item is highlighted with a blue background. The main content area has a header "My Report History". Below it is a table with four columns: Pet Type, Date Reported, Situation, and Status. The table contains three rows of data:

Pet Type	Date Reported	Situation	Status
Rabbit	2023-10-24	White rabbit spotted in the garden. Clearly a domestic pet that escaped or was abandoned. Easily approachable.	FOSTER
Cat	2023-10-26	Small tabby kitten found hiding in boxes. Very scared and might have an eye infection. Needs medical attention.	PENDING
Dog	2023-10-25	Found this golden retriever wandering near the park entrance. Seems friendly but no collar. Looks a bit skinny.	PENDING

At the top of the main content area, there is a green box containing the message "You are currently fostering 0 Pets ❤️".

8. Settings

- **Function:** This is where you manage your own Admin profile. You can update your System Admin name, username, email, and password here.

The screenshot shows the Petie Adoptie Admin Panel interface. On the left, there is a sidebar titled "MAIN MENU" with the following items:

- Dashboard
- Admin Panel
- Manage Users
- Stray Reports
- Process Reports
- Manage Pets
- Adopt a Pet
- Report Stray
- My Applications

The main content area is titled "Account Settings" and has a sub-section titled "Profile Information". It displays a placeholder profile picture with the letters "SA" and a button to "Click on the picture to upload a new profile photo". Below the picture, there are four input fields with the following values:

Full Name *	System Admin	Username *	admin
Email Address	admin@petie.com	Phone Number	0123456789

Logout

- **Secure Exit:** Clicking this button securely ends your session and returns you to the login screen so no one else can access the admin panel.
